The background of the entire image is a vibrant cosmic scene. It features a dense field of stars of various colors (white, blue, yellow) against a dark space. Interspersed among the stars are colorful nebulae in shades of red, orange, yellow, and blue, creating a sense of depth and vastness. The overall effect is one of a deep, expansive universe.

# CHAPTER 1

## THE TRAIN WRECK THAT IS THE LAW OF ATTRACTION

As you'll see... I'm a straight shooter...

So I'm going to get right to it.

**The Law of Attraction is the biggest train wreck in the history of wealth manifestation.**

## THE ULTIMATE ABUNDANCE GUIDEBOOK

Now... that's NOT to say it hasn't worked for SOME people.

I simply can't argue with someone else's experience.

But... believe me when I tell you...

It HASN'T worked for waaaay more people than it HAS worked for.

I talk to people ALL the time who shelled out big money...

Only to feel let down, discouraged, and cheated.

I'm guessing if you're reading this... you're in that camp.

Let's just say, for the sake of argument... that it worked for 10% of the people who've given it a serious go...

I'm being generous here... but bear with me.

That means it DIDN'T work for 90%!

How could ANYONE call that a LAW???

That's not a LAW... that's a very faint "hope."

Here's the problem with the Law of Attraction:

Intentions are fleeting... and can change with the wind.

And because your attention is determined by your subconscious conditioning...

Your intentions, as good as they may be...

Don't stand a chance in the battle against what your attention focuses on.

**Check out this example:**

Let's say your car breaks down...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

And you're hit with a \$5,000 bill...

Literally... out of nowhere.

Of course you're going to INTEND for a way to pay that bill...

As quickly as possible.

Of course you are!

Just imagine yourself finding that internal place where you know everything will be okay.

And being able to trust that the The Universe will answer your call...

And GIVE you what you're intending for...

Just like The Law of Attraction teaches.

But then...

Fear kicks back in.

And all of the sudden...

**All you can think about is:**

***"How am I going to pay THIS?!?!"***

That's because that's the OLD STORY your subconscious has been programmed tell you.

Your conditioning...

Is directing your attention.

Not you.

And definitely not your intentions.

## THE ULTIMATE ABUNDANCE GUIDEBOOK

**But ask yourself yet another question:**

What if you could point your attention...

Where you wanted it...

And never feel the resistance of your OLD STORY...

FORCING YOU to focus on anything...

You absolutely... DO. NOT. WANT?!?!

More on that... in the next chapter...

But first, let me tell you the BIGGEST flaw in the Law of Attraction.

The biggest flaw in the Law of Attraction is how it almost forces you to focus your attention on what you DON'T want.

In other words...

When you intend for something MORE, it's usually in reaction to something you don't have.

The problem is...

Since intentions are fleeting.

And they eventually wear off...

Often, in only a matter of seconds...

All you're left with is an attention that's focused on mounting bills, a lack of clients and customers, or not making enough money at your job.

## THE ULTIMATE ABUNDANCE GUIDEBOOK

### **Here's the thing:**

The past doesn't dictate the future. That's 100% true.

But also 100% wrong.

Because the past DOES dictate the future...

As long as you're focused on your present circumstances about "financial lack."

### **The bottom line is:**

You'll never have more money, when you intend for it, if you're in-reaction to what you don't have.

If you're one of the many who tried the Law of Attraction and it didn't work...

It didn't work for you for two main reasons.

One being that...

All of the things in your life, right now, that represent financial lack...

Also reflect a story;

A story about the past.

And telling a story about the past...

Blocks the future you want and deserve;

Telling a story pushes away your Natural State.

After all, your STORY...

Is the stuff you carry around with you in your subconscious backpack...

And that STORY... resists what you tell The Universe you want.

## THE ULTIMATE ABUNDANCE GUIDEBOOK

But there's a 2nd reason Law of Attraction didn't... and won't work.

You see, most of the people who teach Law of Attraction...

Don't genuinely understand how they ALREADY manifest THEIR OWN REALITY.

That's why a lot of "teachers" can't make a financial living...

Unless they're teaching you...

How to manifest more money.

It's kind of a sickening cycle, right?

I NEVER set out to teach a thing about "manifesting abundance."

I just happened to discover that Abundance was ALREADY my Natural State...

I didn't have to ask the Universe for anything...

I just needed to direct my attention towards the abundance that was already there...

And learn how to let it all in.

It's a crazy story that starts with a series of ill-fated financial decisions I made...

And continues with my young and vulnerable family on the verge of homelessness...

Beginning to manifest amazing financial abundance...

That ended up supporting my family in a wave of financial abundance that still takes my breath away...

All because I discovered that abundance... was already my Natural State.

## **CHAPTER 2**

# **THE TRAGIC... THAT REVEALED THE MAGIC**

So, the hardships I'm about to reveal to you...

They're NOT a complaints...

Those hardships... are the canvas...

Where I discovered how to manifest abundance.

And because of that...

I have a unique perspective about manifestation...

About what's REALLY possible...

About how to PROVE to yourself...

That life doesn't just "happen" to you.

You see, I was fortunate.

More so than most.

Which I'm sure sounds ironic considering how bad things got

It turns out...

Those insane hardships were the reasons I discovered...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

Or revealed to myself...

The truth about manifesting wealth.

And in just a minute, I'll share with you the story of how I learned everything I'd ever need to learn about abundance...

As desperate husband and father on the brink of homelessness.

**But let me first ask you a question:**

What if everything you've ever learned about "Manifestation" (including the Law of Attraction) is 100% wrong?

And what if manifesting ALL of the money and abundance you could ever want or need...

Isn't about "learning" new skills, at all.

But instead...

Was about AUTOMATICALLY "unlearning," releasing, dissolving...

And erasing ALL of the STORIES you're telling yourself...

Especially around... how much MONEY you have in your bank account.

So, with that in mind...

**Let me ask you this next question:**

What reasons...

Or stories...

Do you talk about to explain WHERE you are, financially...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

RIGHT NOW?

In other words...

Why AREN'T you easily manifesting financial abundance...

In your life...

RIGHT NOW?

Now, whatever the reasons are that just popped into your mind...

Those are just SOME of the STORIES that BLOCK & INHIBIT you from receiving what you want...

And would quickly be yours...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

If your STORY wasn't getting in the way.

So obviously...

Those STORIES need to be dissolved, erased, and REWRITTEN...

Which is no small task...

Because those stories...

About WHY *you are where you are*...

Have become so programmed in your subconscious...

That they, literally, become tangled up with your very identity.

In other words...

We get tricked into believing...

The stories we tell...

Are actually WHO WE ARE.

And unraveling those stories...

And dragging them out into the full light of day...

Can FEEL like the most threatening thing imaginable...

Because it threatens your very identity.

It's just like breaking up...

After being in a loving, long-term relationship.

You have to UNRAVEL your lives together.

## THE ULTIMATE ABUNDANCE GUIDEBOOK

And it can FEEL painful.

But...

What if dissolving those stories; the stories you tell yourself about WHY you're stuck...

Wasn't scary, uncomfortable... or threatening at all?

What if automatically erasing... and rewriting all of those old stories...

Took as much time and effort as drinking your morning coffee?

*Wouldn't you want it?*

What I mean is...

Everything you could ever want...

Already exists.

It's called The Natural State.

And in YOUR Natural State...

*Abundance, of every kind... just IS.*

It's always there...

Just waiting for you.

You simply need to LET IT IN...

Rather than allowing your old story...

Or "baggage"...

To *painfully* resist and block...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

Your dreams and fantasies...

From BECOMING...

Your reality.

You see... it's nearly IMPOSSIBLE to change your subconscious programming...

And tell a NEW story.

That is... until you discover a new law...

The Law of Attention.

## CHAPTER 3

# YES... EINSTEIN TAUGHT MANIFESTATION

“We all have a *habit of thinking* that everything around us is already a thing, *existing without my input*, without my choice.”

~ Amit Goswami, former University of Oregon Physics Professor

Right there is the BIGGEST lie ever told to humankind.

Because NOTHING exists...

Without you...

And your attention upon it.

NOTHING!

Now, what Amit's talking about...

Has a name.

It's called The Law of Attention.

Because every single thing in your life;

In YOUR experience of reality...

Is becoming WHERE your attention is...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

Right now.

This is VERY different from The Law of Attraction.

And it goes back to what Physicists like Amit call The Unified Field.

It's as close to measuring what we think of as "God"...

As human beings have ever gotten.

**Now, The Unified Field exists in two forms:**

Waves and particles.

The waveform is where everything exists in pure possibility.

While the particle form... is your physical experience;

## THE ULTIMATE ABUNDANCE GUIDEBOOK

It's when infinite possibility...

BECOMES your finite experience...

Or the circumstances you live on a daily basis.

And it's your ATTENTION...

That CHOOSES...

Whether you're focusing on the wave...

Or the particle.

In other words...

It's your attention that focuses on the finite of your current experience...

And keeps recreating it.

And it's also your attention that ALLOWS your current circumstances to GO BACK into possibility...

So you CAN create something new... and different.

This is what Quantum Physicists...

Including Einstein himself...

Call The "Observer Effect."

And The Observer Effect dictates...

That you can't separate the observer...

From the observed.

They're ONE thing.

## THE ULTIMATE ABUNDANCE GUIDEBOOK

In other words...

Everything you're experiencing right now...

Whether you want it or not;

You "observed" into reality...

Through your attention.

**And here's the thing:**

As long as you're giving your attention to what you DON'T want...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

It MUST continue existing in YOUR reality...

Because that's what Einstein... and the laws of quantum physics...

Have shown.

No, you're NOT "attracting" anything.

Never were.

Like I said, the whole Law of Attraction fad has actually tricked millions of people...

To give MORE of their power away...

To the creation their attention has... well... created.

In other words...

You've ALREADY manifested everything you are and have.

### **The problem is...**

You created it ALL from your extremely limited, scarcity-minded, subconscious conditioning.

But it's NOT your fault.

Nobody taught you that the most important skill you would ever have...

Is knowing HOW to effortlessly DIRECT your attention...

Towards what you want.

The question is:

How do you direct your attention...

When 97% of your thoughts and decisions...

Come from subconscious conditioning and programming?

## THE ULTIMATE ABUNDANCE GUIDEBOOK

I mean, how could you possibly do that?

You don't even know WHAT "programs" your subconscious...

Is "running" in the background of your every single conscious thought!

How can you change...

Something that you don't even know exists?

It's a pretty sickening Catch-22, right?

Well, there's an easy way out of this.

And I can't wait to tell you what it is.

But first, I want to tell you HOW I discovered it...

Because I'm proof of what can happen...

When there's nobody around...

To tell you...

What you CAN'T do;

Or...

What ISN'T possible.

And I REALLY had to figure that out... the hard way.

## **CHAPTER 4**

# **DEATH SENTENCE... FOR YOUNG FAMILY?**

My story about discovering...

And then LIVING all of this Law of Attention stuff...

Is a LONG story.

But it's an important story.

Because I'm proof of what can happen...

When there's nobody around...

To tell you...

What you CAN'T do;

Or...

What ISN'T possible.

And I REALLY had to figure that out the hard way.

You see, I've always been a master manifestor.

But at some point...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

We all forget...

What we come into this life knowing.

And one of the scariest times I've ever experienced...

When I truly forgot my power...

Was in December of '05.

I was broke...

And broken.

I made one horribly bad financial decision after another.

And the surplus of money I had built up over the years...

Was gone.

## THE ULTIMATE ABUNDANCE GUIDEBOOK

In fact, it wasn't just gone...

But I put my family into massive credit card debt.

And being a 4th grade dropout...

I wasn't qualified for any kind of job that paid decent money.

I really messed up.

Badly.

What made me sad was...

I didn't even have enough money to buy presents for Christmas.

And the emotional pain of NOT being able to buy my wife and 4-year-old daughter Christmas presents broke my heart.

I wanted so much to be able to take care of them...

And give them the life I never had.

Well, I realized I could never make enough money to crawl out of my massive debt...

Even if I COULD get a job.

So, it felt pointless.

And I felt hopeless.

But then...

I had an idea.

Now, I had an extremely unconventional upbringing.

Which is a gross understatement.

So, I thought to myself:

***“What if I write a book about how I educated myself, and lived outside the “norm” of society?”***

My wife didn't understand.

She asked me,

***“We have rent due in two weeks, and no way to pay it. And your solution is writing a book?”***

I said,

***“Yes.”***

I started going to The Wandering Goat coffeehouse in Eugene, Oregon for the next 7 days straight.

And in that week's time...

I wrote what became an ebook called, *Becoming: The Evolution of Being*.

It was a spiritual, self-help ebook.

And honestly...

I had no idea if it was even any good.

I never got it professionally edited...

So it was full of bad grammar...

And really bad writing.

But it was all I had.

In the next few days...

I taught myself how to use Adobe Photoshop and Dreamweaver to build a simple website.

## THE ULTIMATE ABUNDANCE GUIDEBOOK

Check.

I taught myself how to get to the top of Google's natural ranking on certain keywords with articles I wrote.

Check.

I converted my 80-page word document...

Into a PDF...

And called it an ebook.

Check.

I slapped a \$17 price tag on it.

Check.

And that's where I found myself just days away from Christmas.

We had less than a thousand dollars to our names.

And instead of putting that money aside for food, rent, bills, and necessities...

I filled the empty bottom of our Christmas tree with presents.

I made sure that, no matter what, I was going to give my family a Merry Christmas.

And I did.

But then the fear of "what I did" really started to mount.

I asked myself,

***"Did you just make the biggest mistake of your life, Mark?"***

New Year's Day comes...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

And my bank account is now in the red.

I wrote checks...

I couldn't cover...

Just to eat.

That's when I remembered a scene from Indiana Jones and the last Crusade.

Indiana found himself at a bridge that you can only see...

When you take the first step.

So, Indiana put his hand on his heart...

And stepped out into a dark, deep abyss.

And what happened?

The bridge suddenly appeared.

I kept playing that scene over and over again in my mind.

Around the same time...

I met an older man at the coffee shop...

Where'd I do all of my writing.

**He came up to me and said:**

***"You look lost and scared. Use this."***

It was this weird tone he played for me on his iPod.

I listened for just a few minutes...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

And felt instantly transformed.

He said,

***“These sounds... are the sounds your brain naturally makes. This tone merely helps clear away the noise in your head.”***

He told me where to get these tones...

So I could listen to them any time I needed.

And my life was never the same.

When I was going through massive trauma and hardship...

This tone always helped me ground down and get clearer; more confident.

And confidence is what I so desperately wanted and needed.

I had to believe I made the right decision.

I had to believe I didn't just completely screw my family.

I had to believe I was moving in the right direction.

That's when I started asking myself,

***“How will my UNLIMITED Natural State reveal itself for me to experience... right now?”***

And every single time my fear would come up...

I'd just go back to asking that question.

All the while...

I was now listening to my weird brainwave tones on an iPod my wife got for me.

And low and behold...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

The Indiana Jones bridge revealed itself.

In other words...

I got my first sale.

Yeah, I know...

It was just \$17.

But it was the most satisfying \$17 I ever made.

And the excitement it generated inside of me was unbelievable.

It didn't stop there.

Over the next few days...

The sales started raining in.

And before I knew it...

I had enough money to pay rent.

And we were only 4 days late.

Not even late enough for them to call us.

But again, it didn't stop there.

Over the next 6 months...

I pulled in over two-hundred grand.

And I never looked back since.

All because I chose to acknowledge my fears...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

And immediately redirect my attention...

Towards my Natural State.

That's when I realized,

***"My only work in this life...***

***Is to acknowledge where I've given my power away...***

***To an 'Emotional Charge'...***

***And tell the TRUTH about the STORY I've lost myself in."***

## **CHAPTER 5**

# **THE SECRET OF THE HEADPHONES... REVEALED**

Want to learn how to easily “melt” the hold your old stories of resistance has on you?

It’s virtually impossible...

Given that 97% of your decision-making determined by your pre-programmed subconscious conditioning.

But what if there was a simple way to start dissolving the stranglehold those stories have on you...

So the resistance to your Unlimited Natural State starts to fade away with each passing day?

Which means...

Everything you want...

Has a clearer path of less resistance to BECOME your reality.

Then...

As you reveal more and more of this real-life abundance...

It BECOMES easier and easier...

To believe in the unlimited...

Just as much...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

If not more...

Than the illusion of limitation.

In other words...

Discovering how to empty the backpack helps you dissolve your subconscious conditioning...

And frees up your attention to ALLOW your Natural State of Abundance...

To BECOME your experience.

But there's actually a way to accelerate dissolving your OLD STORY...

So you can open up to your Natural State, faster.

And just in case you haven't put it together, yet...

**Your Natural State of Abundance...**

**Is The Unified Field.**

And it can be accessed by listening to the weird tone I've been listening to since that December day.

Now, this weird sound might seem mysterious...

But it's an organic part of how your brain functions.

You see, the brain functions in wave frequencies.

And "the wave" of your subconscious...

Where all of your conditioning and resistance is buried...

Is called Theta.

And it was a Theta tone that I'd listen to, with my headphones, every single day...

That helped ME, a 4th grade dropout, who never once had so much as a tutor or a curriculum...

Achieve MASSIVE abundance...

Personally...

And for the people I've helped.

**Now, here's how listening to Theta tones works:**

Your brain has a thick band of fibers that connect the left and right sides of your brain.

It's called the Corpus Callosum.

And it's this unique band of fibers that most scientists believe gave Einstein his incredible genius.

Here's what happens when you put on your headphones...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

The Theta tone is slightly different in each ear.

And it forces the Corpus Callosum to find the middle ground.

This “tricks” your brain into a powerful state...

When both sides of the brain can “talk to each other” unlike ever before.

But with Theta tones...

Something else is happening beneath the surface.

Now, quickly...

**Ask yourself:**

***“How did I LEARN my conditioning... and limiting beliefs?”***

If you’re like me, and most people, it just kind of... happened.

That’s why it’s called your “subconscious”; it’s “underneath” your conscious level of thinking.

**Now, here’s what’s amazing:**

When you listen to Theta tones...

It’s like having a direct portal into your subconscious.

That’s why I began to manifest incredible abundance... almost out of “thin air.”

I was deliberately directing my attention towards what I wanted...

Every time I listen to my Theta tones.

And it literally re-programmed my subconscious,

Clearing away all of the limiting beliefs I’d held for decades.

## THE ULTIMATE ABUNDANCE GUIDEBOOK

Eventually, I started recording my own hypnosis... or guided meditation tracks...

Over my Theta tones.

It helped me “learn”...

Without ME, Mark, having to LEARN... *anything*.

These meticulously constructed hypnosis tracks helped me clear away my OLD STORY from my subconscious...

And clear away my built-up resistance to my Natural State of Abundance.

The longer I listened...

More and more “baggage” was automatically removed from my backpack...

And effortless abundance became easier and easier.

Because my ATTENTION was finally free...

## THE ULTIMATE ABUNDANCE GUIDEBOOK

To easily focus on my NEW STORY...

Instead of letting my OLD STORY have the power to painfully resist what was *naturally mine!*

That's when I discovered the Law of Attention actually was....

And I've been using it ever since...

And I've helped countless others do the exact same thing...

Automatically erase the old stories of limitation and scarcity...

Which then makes way for powerful new stories of abundance...

In all the areas that matter most: finances... relationships... creativity... freedom... even health...

All because of a simple pair of headphones...

And powerful guided meditation tracks...

That easily reach the subconscious... where your story of financial abundance is truly written.

# CHAPTER 6

## WANT THE MAP TO UNLIMITED ABUNDANCE?

So... what if there was a simple guide map...

That walked you through automatically erasing the old stories of limitation and scarcity...

AND helped you create new stories of unlimited abundance...

Wouldn't you want that?

Especially if the time it took was the same as enjoying your morning cup of coffee...

That would be a no-brainer, right?

Well... that's what I've done by creating The Wealth Compass Program.

## THE ULTIMATE ABUNDANCE GUIDEBOOK

In short, it's a series of audio tracks...

That's the tone that saw me through beating brain cancer...

And it's the tone that helped me open up to my Natural State of Abundance in the Maui jungle...

It's the tone that speaks directly to your subconscious programming...

Over those Theta tones, I've recorded a series of in-depth guided meditations...

So YOU can easily erase those old limiting beliefs...

And see new stories of abundance emerge.

So... if you've been let down by the Law of Attraction...

Or any other wealth manifestation program for that matter...

You owe it to yourself... and those you love...

To discover how to easily access the Law of Attention...

And start living the life of abundance...

YOU want... need... and deserve.
